MEMORANDUM FOR THE RECORD

SUBJECT: Helms Amendments to the FY87 Intelligence
Authorization Act

1. On 14 November 1986, I telephoned of the STAT
Intelligence Community Staff to ask whether he had received a
copy of the above-captioned document telecopied by the Deputy
Comptroller. He stated that he had not yet received it and
asked that I forward him a clean, legible copy, which I agreed
to do.

2. I also told him that the general consensus was that no
new work be tasked and told him that the NIO/FDIA has
investigated studies now underway which would be responsive to
the requests. He replied that he has seen the NIO/FDIA's paper
and that, while most of the work would be done by the Agency,
he is aware of three items that will involve efforts by
personnel outside of the Agency. The D/ICS, the DDCI and the
D/OCA are expected to meet to discuss the tasking to be done.
